Netball Gala Day

Congratulations to the Primary girls who participated in the HRIS Netball Gala Day on Tuesday. They won four games, which was fantastic. Well done, girls! And thanks to Mrs S and the parents who attended. The P&F are negotiating at the moment with a playground equipment company to install some playground equipment that will meet student’s needs until we move to the new site. We plan to install it temporarily so it can be moved to the new site when Council Approval comes through. Anthony Ginn has been working hard on the arrangements for this and we appreciate his help.

Thanks to Ron Sparke who filled in for Lynnette Loundsbury in Ancient History who has been absent this week. This Trial Exam for Ancient History is next Tuesday. The HSC Business Studies students are going on an excursion to the Imax Theatre and the Sydney Aquarium today to engage in two Business case studies for the HSC course.

Next Thursday is the Annual School Photo Day. Please ensure your children come to school on that day in full winter uniform. A Father’s Day stall will be held next Thursday (4/9) to allow students to purchase something for Father’s Day. The Fair is only TWO weeks away! Keep up the excellent work in preparation for the exciting day.

HSC Music Performance exams are to take place on 15 September.

There have been a lot of students, parents and teachers who have been suffering from the flu this winter, but it’s great to see so many looking more healthy and overcoming the worst effects of it. It has certainly been a contagious and severe strain of the disease this year. Maybe parents and adults could give some consideration to having the flu shot next year, we might minimise it. There have been a large number of High School boys wearing black sneakers to school as part of regular uniform. This should not be happening. The uniform includes only black polishable leather shoes. Could parents please ensure their children wear appropriate footwear. Thanks.

Uniform Inspection: Monday 4th Sept during assembly. Please make sure your child has full WINTER uniform including NAVY OPAQUE stockings for girls. We are holding this inspection to ensure everyone has the correct uniform for the School Photos which will be taken on Thursday next week.

Thurs 4th
On Tuesday the Primary girls went to a Netball Gala Day in Newcastle. We played so many games against lots of different schools and the results were great! We played a total of 8 games and won 4 of them! Well done girls! Especially for some students who haven’t even played competitive netball before. Belle Tappouras played her very first game and learnt the rules on the day!!

I was so impressed with everyone’s effort. The player of the match was very hard to decide, but I will give this to Isabella Elton. Her position of Goal Defence (GD) was exceptional. Well done!

Here are some comments from the girls…

“Blue is the sound of the waves whispering all their secrets.” (Molly)
“Green is the smell of grass, wet from the rain.” (Asher)
“Red is a heart, sparkling for Mum and Dad.” (Ruby)
“Silver is the smell of fish cooking on the BBQ.” (Benji)
“Blue is a boat slipping through the water.” (Felix)
“Green is the feel of grass, itchy like a mozzie bite.” (Celina)
“Black is the feel of boots, leathery and hard.” (Mary)

… and that’s just some of them – incredible! We’re looking forward to getting them finished and on display for you to read.

What’s the chance of Uncle Simon:
- Arriving at school on a motorbike? Abigail Dangerfield says, “Unlikely”.
- How about on a broomstick? Molly says, “Impossible!”
- How about in a sporty red station wagon? Tammy says, “It’s certain!”

In Maths this week, along with a bit of addition and subtraction, we’ve been learning the language of ‘chance’ and using it appropriately.

Have a fun weekend!
