From the Principal: PRESENTATION NIGHT

Thanks everyone for your support at Presentation night.

It was a great success. Students all did well and presented some very beautiful musical items with wonderful singing and poetry as well. Thanks also to the mums who set out the supper and for the team effort in cleaning up afterwards. **Congratulations to Kyria Mansfield** who was presented with a scholarship to study at Avondale College and to **David Lynch** for securing a scholarship at Newcastle Uni. The **HSC results** were available to students online today. From what the students have told me they should be very happy with their results which were of a high standard.

We wish our Year 12 students all the best for the future. The high school students are enjoying the **camp** at Umina. We have been blessed with great weather which adds to the enjoyment level. We have one more night away and will be back on Thursday.

Primary students had an exciting day at Lambton pool today enjoying the water sports and the water slides.

The Infants are at Newcastle airport today on a tour of the whole airport. Fantastic fun and very relevant to their transport theme for the term.

HSC Biology students went on a field trip to a rock platform at Norah Head on Tuesday. The better weather enabled them to complete the activities set out in the Assessment Task procedures.

THURSDAY is the Last day for school this year. **The School day ends at 2 pm**, so please remember to pick your children up 1 hour earlier tomorrow.

School Reports will be issued on Thursday. **We say farewell to the Sperling family.** A move of residence further away has made travelling difficult. Thankyou for your time at HC and we hope to see you all again if you once more reside closer to the school.

We also farewell Jerusha Chand who is leaving school having completed her School Certificate.

Senior students and staff are back on Monday 31 Jan. All students return on Wed 2 Feb.

Thank you to everyone who has been a positive help to the school during the year. Your assistance is greatly appreciated.

God bless all the families who are travelling over the holidays. May God see us all safely back at school in 2011. May God bless all our plans.

Have a restful and enjoyable break.

Simon Dodson,
Principal

The High School Students enjoying some leisure and bonding time together at the Wamberal Camp

We would like to thank all students, staff, School Council, parents and helpers for their time and effort this year—it is much appreciated!
We value your positive input and thank you all very much!

A BIG THANKYOU
to our Principal, Simon Dodson,
for all his dedicated work and efforts extended in dealing with all the extra work involved this year at school.

Be strong and of a good courage—Josh 1:6
